

Activity Resource Booklet

“... a mind needs books as a sword needs a whetstone, if it is to keep its edge.”

— George R.R. Marti

Created March 2020 in response to the need to socially distance and self-isolate.

This resource is intended to be a “Grab and Go” link to several printable resources that you can use. **Utilize this booklet with your clients.**

Print in whole or in part, however, to ensure use of the additional resources within this document (most of which are printable PDFs), share digitally when able in order to utilize the embedded links.

Contributions and ideas from my fellow professionals greatly influenced this document and I would like to thank them for their hard work in these uncertain times.

Feel free to share with anyone you feel appropriate.

Using paper? Check out these printable hunts! [Indoor Treasure Hunt](#) and [Printable Treasure Hunts, Riddles, Clues, and Party Games](#).

3. **Plant Seedlings** - Planting seedlings and watching their growth is rewarding, as well as educational. You would need to do a bit of research as to what would be the best time to plant. The time frame fluctuates between various types of plants. Most plants take 3-15 weeks to mature to a level to be transplanted

into a garden. You would want to know what type of plants you are planting and the time needed. It brings great joy to watch them develop and bloom once they are transplanted into a garden.

4. **Host a Movie Night** - There are many movies that have sequels. Pick a genre that everyone would enjoy. Plan for a whole evening of back-to-back viewing of the movies. Make sure you have plenty of popcorn and snacks on hand! If you want to be really creative, find props that go with the movie and set them out. You can even make a dessert that matches the movie theme.

1. Put it on the big screen!
2. Make it cozy!
3. Get snacks!
4. Encourage Voting!
