

Parental Consent for Outdoor Play Space Exemption

I, PARENT'S NAME have read the Family Day Home Agency Outdoor

Play Space exemption request form that my provider PROVIDER'S NAME

has completed and submitted to AGENCY NAME for approval.

* I understand that my provider does not have a securely enclosed, fenced and gated outdoor play space.

* It is my understanding that the above mentioned caregiver will maintain the health and safety of my child by providing direct supervision at all times while children are outdoors. The provider will adhere to all criteria specified in the exemption approval request. The agency will continue to monitor and ensure that the provider is maintaining compliance to all the Family Day Home Standards and the Agencies policies and procedures.

I expect to be notified of any changes to the exemption.
